Lawyer Referral Service

What is the Lawyer Referral Service?

The Lawyer Referral Service is designed to assist the public in locating lawyers who are currently taking referrals in specific practice areas. These lawyers are not certified in any specific practice areas but may have experience or interest in a specific area of practice.

How the process works:

1. Go to: wvlawyerreferral.org
2. Determine what practice area that covers your legal issue by searching a keyword or browsing the practice area descriptions.
3. Search for a lawyer with the desired practice area in your zip code.
4. Contact the lawyer and mention that you found them through the WV State Bar Lawyer Referral Service. The attorney may agree to see you as a potential client for an initial consultation and a fee of no more than \$25 for the first 30 minutes of the initial consultation.

Tuesday Legal Connect

Get your legal questions answered

On Tuesday nights, the WV State Bar in conjunction with Legal Aid of WV operates the Tuesday Legal Connect. Volunteer lawyers take calls from the public, and offer suggestions and guidance. Every Tuesday evening from 6:00 p.m. to 8:00 p.m., lawyers volunteer their time to answer questions that are presented by West Virginia citizens regarding legal issues. Our goal is to provide guidance to assist you in addressing your legal issues.

What they can assist you with:

- Determining if you have a legal problem.
- Providing simple steps you can take to try to solve your problem without a lawyer.
- Determining if you need a lawyer.

The volunteer lawyers can provide *general* legal information. **They cannot provide direct legal advice or legal assistance** about your case. In order to give legal advice, a lawyer would need more information and details than a short telephone call can provide.

To reach the Tuesday Legal Connect, call **1-800-642-3617**.
