WVClerks - Pending Pleadings

If you reject a filing

you may enter a reason that will notify the attorney.

The screenshot displays the WVClerks Pending Pleadings interface. On the left is a 'Search Options' panel with filters for 'All Cases', 'Case Type', 'Quick Case #', 'Full Case #', and 'Party'. Below these are input fields for 'County', 'Filing Type', 'Filing Date From', and 'Filing Date To', along with 'Search' and 'Clear' buttons. The main area features a table of pending pleadings with columns: Filing Type, Description, County, Filer, and Filing Date. The table lists several items, including 'Abstract of Judgment', 'Complaint', 'Document Type', 'Affidavit of Indigency', 'Suggestee Execution', and 'Proposed Order'. A modal dialog box titled 'Reject Proposed Order' is open, prompting the user to enter a 'Reason for Rejection' in a text field, with 'Reject' and 'Cancel' buttons at the bottom. The top of the interface shows 'Clerk Review: No new items' and 'Clerk E-mails: 30 new items'.
