

IN THE CIRCUIT COURT OF RALEIGH COUNTY, WEST VIRGINIA

IN RE: FLOAT-SINK LITIGATION CIVIL ACTION NO. 11-C-5000000

THIS DOCUMENT APPLIES TO:

Allyson Townsend

v.

Commercial Coal Testing, Inc., et al.

Civil Action No. 11-C-5200015

**ORDER VACATING FEBRUARY 26, 2014
ORDER RECONVENING MEDIATION**

In light of Standard Laboratories, Inc.'s Third Party Complaint against U.S. Steel Mining Company, LLC ("U.S. Steel"), UEC Technologies, LLC ("UEC"), and USX Engineers and Consultants, Inc. ("USX Engineers") (Transaction ID 55091168), and the Court's March 12, 2014 "Order Vacating August 2, 2013 Case Management Order and Scheduling Status Conference" (Transaction ID 55134599), the Resolution Judges hereby **VACATE** their February 26, 2014 Order that mediation in this case be reconvened on April 28, 2014. Mediation will be reconvened on a date and time to be determined by the Resolution Judges.

It is so **ORDERED**.

ENTER: March 12, 2014
