v.

DOCKET NO.: 090842

**HONORABLE JACK ALSOP,

The respondent Jerry Rick Meadows, does not believe the circuit court ordered the State to disclose the identity of its confidential informants, or to make any disclosure at all unless the defendants requested such disclosure. All the court did order was the State to disclose the identity of confidential informants within twenty days after being asked for such disclosure. As the respondent reads the State's petition that will not be a problem if the defendants make a timely request. It appears the court has done nothing more than enter a time frame order to have this matter ready for trial when scheduled on August 18, 2009.

The respondent would respectfully suggest the State read again the order it drafted.

WHEREFORE, the respondent Jerry Rick Meadows prays the relief prayed for by the petitioner will be denied.

Respondent, by counsel,
